Sewing Tips

## HAND STITCHES

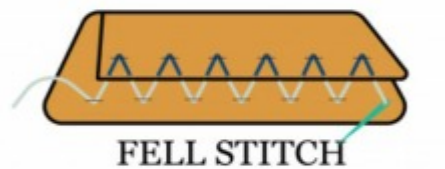

RUNNING STITCH

This photo on the left is showing a diagram of a running stitch. So the needle with the thread go through the

BACK STITCH

This photo on the left is showing a diagram of a back stitch. So the needle goes through and goes through again in

FELL STITCH

This photo on the left is showing a diagram of a fell stitch. So the needle goes through the fabric twice as you

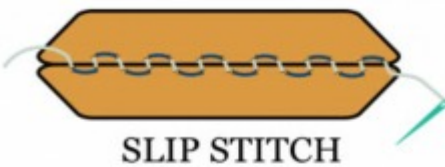

PARTIAL BACK STITCH

This photo on the left is showing a diagram of a partial back stitch. So the needle goes through the back and goes through the different holes that you have

BASTING STITCH

This photo on the left is showing a diagram of a basting stitch. So the needle goes through the folded layer and

SLIP STITCH

This photo on the left is showing a diagram of a slip stitch. So the needle goes through the fold and connects the different folds together and goes in an in
